

The Newark Municipal Court building will be closed until further notice due to the COVID-19 (coronavirus) outbreak. All scheduled court dates during this time have been postponed and will be rescheduled. As a result, Newark Community Solutions has suspended all in-person court-mandated community service, counseling sessions, and groups during this time. Newark Youth Court hearings and in person Newark Community Solutions Victim Services (Hawthorne Office) programming will be suspended through until further notice as well. You WILL NOT be penalized by the program or the court for failing to appear in person. During the closure, we are offering case management services over the phone to clients and community members. If you are looking for information about where you can get help in New Jersey or would like to speak to your existing case manager, please call (973) 733-5180 and leave a message. We will try to get back to you within 1 business day. Be sure to CLEARLY state your name and the BEST WAY FOR US TO CONTACT YOU.

If you have questions about how to be tested for COVID-19 in New Jersey or if you are experiencing a fever, cough, or shortness of breath, call your healthcare provider. If cannot reach your healthcare provider or do not have a healthcare provider, you can call the 24/7 New Jersey COVID-19 Call Center at 1-800-222-1222 for more information.
