

**Parent
Support
Program**

**Our office may be closed, but the program is open!
We are working remotely and accepting new clients.**

The Parent Support Program assists non-custodial parents in their employment search. Participants must have an open child support case in Onondaga County to receive services.

All services are free, and include resume creation, personalized job leads, mock interviews and follow-up supports once you become employed.

We are open Monday through Friday 9:00am-5:00pm.
